

MEMORANDUM

December 7, 2018

TO: Region Superintendents
Region Administrative ABC Directors
All Principals

FROM: Steffond L. Cone, Assistant Superintendent 
School Operations

**SUBJECT: 2018-2019 ATTENDANCE BOUNDARY COMMITTEE (ABC)
NOTIFICATION OF FINAL TARGETED SCHOOLS**

The Attendance Boundary Committee (ABC) finalized its list of final targeted and final advised schools. Each targeted school listed needs to be closely reviewed for potential boundary and/or grade configuration modifications. The next step of the process requires that the affected school communities work cooperatively in attempting to develop viable solutions for the schools that are targeted. To comply with the ABC Administrative Procedures process, it is essential that the affected school communities are informed and included in the recommendations between Monday, January 14, 2019 and Friday, February 1, 2019.

The Region Superintendents are charged with the responsibility of ensuring that these steps are followed:

1. Every principal informs his/her Student Leader, Educational Excellence School Advisory Council (EESAC) chairperson and/or PTA/PTSA president of the schools on the List of Final Targeted and Final Advised Schools.
2. Region Superintendents and principals must make every reasonable effort to collaborate with individuals and/or community groups to assist them in developing proposed recommendations.
3. Providing any data regarding enrollment figures, transported students, spot maps, etc., to all interested individuals and/or community groups.
4. Notifying and involving all school communities that may be affected by a recommended student housing change. **If a proposed student housing change in a targeted school affects another school community, then that community must also be involved in the process.**

5. All recommendations must be submitted to the appropriate Region Superintendent **no later than 12:00 noon, Friday, February 8, 2019.**

NO RECOMMENDATIONS WILL BE ACCEPTED AFTER THIS DATE AND TIME.

Every effort must be made to ensure that affected communities are involved in the process at the school level.

If you have any questions pertaining to any aspect of this process or if further assistance is desired, please contact the appropriate Region Superintendent or Region Administrative ABC Director.
