

MEMORANDUM

December 6, 2019

TO: Region Center Superintendents
Region Center Administrative Directors
All Elementary, K-8 Center and Secondary Principals

FROM: Steffond L. Cone, Assistant Superintendent 
School Operations

**SUBJECT: ATTENDANCE BOUNDARY COMMITTEE (ABC) NOTIFICATION
OF FINAL TARGETED SCHOOLS**

The Attendance Boundary Committee (ABC) approved the list of final targeted and final advised schools at its meeting held on Thursday, December 5, 2019. Each targeted school listed needs to be closely reviewed for potential boundary and/or grade configuration modifications. The next step of the process requires that the affected school communities work cooperatively in attempting to develop viable solutions for the schools that are targeted. To comply with the ABC Administrative Procedures process, it is essential that the affected school communities begin developing recommendations from Monday, January 13, 2019 through Friday, January 31, 2020.

The Region Center Superintendents are charged with the responsibility of ensuring that these steps are followed:

1. That every principal informs his/her Student Leader, PTA/PTSA president and/or Educational Excellence School Advisory Council (EESAC) chairperson of the schools on the List of Final Targeted and Final Advised Schools.
2. Region Center Superintendents and principals must make every reasonable effort to cooperate with individuals and/or community groups to assist them in developing proposed recommendations.
3. Region Center Superintendents are responsible for providing any data regarding enrollment figures, transported students, spot maps, etc., to all interested individuals and/or community groups.
4. Region Center Superintendents are responsible for notifying and involving all school communities that may be affected by a recommended student housing change. **If a proposed student housing change in a targeted school affects another school community, then that community must also be involved immediately.**

5. All recommendations must be submitted to the appropriate Region Center Superintendent **no later than 12:00 noon, Friday, February 7, 2020.**

NO RECOMMENDATIONS WILL BE ACCEPTED AFTER THIS DATE AND TIME.

These steps are essential to allow for maximum involvement of all affected citizens in the process. Every effort must be made to ensure that affected communities are involved at the school level.

If you have any questions pertaining to any aspect of this process or if further assistance is desired, please contact the appropriate Region Center Superintendent or Region Center Administrative Director.
