

Biscayne Bay Campus

ACCESSIBILITY STATEMENT

The faculty and staff at MAST@FIU Biscayne Bay Campus strive to ensure that our services are accessible to people with disabilities. We have invested in resources to help ensure that our website is easier to use and more accessible for people with disabilities in keeping with our strong belief that every person has the right to live with dignity, equality, comfort and independence.

Improved accessibility on this website is possible by our use of the [UserWay](#) Website Accessibility Widget that is powered by a dedicated accessibility server. The software allows us to improve our compliance with the Web Content Accessibility Guidelines (WCAG 2.1). The accessibility menu can be enabled by clicking the accessibility menu icon that appears on the home page.

We continue our efforts to improve the accessibility of our site and services to allow seamless, accessible and unhindered use for those of us with disabilities. Despite our efforts to make all pages and content on our website fully accessible, some content may not have yet been fully adapted to the strictest accessibility standards. This may be a result of not having found or identified the most appropriate technological solution. Nonetheless, if you are having trouble accessing any of the content on our site or require assistance with any part of our site, please contact us at pr7031@dadeschools.net or 305-919-4450 during normal business hours and we will be happy to assist.
