Thought and Word For the Week

Andy Broer - Few people get to do what they want to do in life. Be one of them.

Labyrinth *n.* A complicated irregular network of passages or paths in which it is difficult to find one's way; a maze.
“Exploring the labyrinth of waterways.”

Values Matter in October so be Responsible!

- To be responsible means being dependable, keeping promises and honoring our commitments. It is accepting the consequences for what we say and do. It also means developing our potential. People who are responsible don't make excuses for their actions or blame others when things go wrong.

Silver Knight Awards

What is a Silver Knight? The Miami Herald Silver Knight Awards is one of the nation's most highly regarded scholarship service programs. The purpose of the program is to recognize outstanding students who have not only maintained good grades but have also unselfishly applied their special knowledge and talents to contribute significant service to their schools and communities.

What are the qualifications?

- 12th grade students only, however, younger students are strongly encouraged to begin their involvement and service as early as possible.
- This is a community-service based award: your individual contribution/personal initiative secures a nomination/award – not cumulative hours.
- 3.2. unweighted GPA
- Category specific: one of (15) with appropriate academic concentration, though the major service project does not need to match the category.
- For more information, please see Ms. Madrigal.
