Lunch Schedule

Students are not allowed to leave campus to obtain lunch. Lunch for students who receive free or reduced meals or wish to purchase lunch will take place in Modular 4 during each lunch session. Please remind students that they are responsible for any waste they may create during lunch and that waste items should be disposed or recycled appropriately. Additionally, the success or failure of this program rests with our students. We expect students to exhibit the appropriate behavior during lunch just as they do in classrooms. This expectation includes their prompt arrival to class after lunch.
