STUDENT IDENTIFICATION BADGES

We have partnered with Fox-Mar Photography to provide students with an opportunity to update their student identification (ID) badge remotely using a new online service. Once you have completed the steps below, you will have an ID badge that you may use throughout this year. We will be adding features to the program as we move toward the physical repopulation of our school that will enhance the value and use of this new ID badge.

1. Navigate to www.foxmar.com/virtualids
2. Choose MAST@FIU
3. Enter your 7 Digit Student ID
 - a. If you have a photo on file, you will be asked to set a password and you will be presented with your virtual ID card.
 - b. If you do not have a photo on file, you will be prompted to take a selfie, which the school will review and approve.
4. School staff will review your picture and notify you if there are problems that will prevent its use as an ID picture.

Selfie ID PHOTO

It's time to take your digital ID card picture.

This year, you are taking it yourself!

These photos are ONLY for your ID card, not for the yearbook. School pictures will be scheduled when it is safe to do so.
