

Update 8.5.19

Good Afternoon,

- ✚ The picture herein is a rendering of the building that will become the future home of the MAST@FIU on the Biscayne Bay campus of FIU. Construction will commence within the next few weeks. We hope to occupy our new building sometime in the Fall of 2020.

- ✚ School begins bright and early at 7:20 AM on Monday, August 19, 2019. We ask that parents bring their student to school no later than 7:10 AM each day.
- ✚ Students may enjoy a FREE breakfast from 6:45 AM-7:15 AM each day school is in session.
- ✚ Remember that our uniform policy specifies the following:
 - Black, blue or Khaki pants, blue jeans are allowed, and our polo logo shirt.
 - Closed shoes are required; no sandals or flip flops are permitted.
 - Sweaters, sweat shirts or other apparel may not be worn over the polo shirt unless the item has our school logo. Hoodies are not allowed on campus.
- ✚ The PTSA is at school selling and delivering uniform apparel in Modular 4 which is located on the east side of the library. Cash, credit card and check are accepted on-line or in person. Visit the PTSA website at <http://mastfiu.dadeschools.net/ptsa.html> for more information.
- ✚ The district and school calendars are posted on the Resources page of our website at <https://mastfiu.dadeschools.net>. Our calendar identifies which days are ODD or EVEN period days.
- ✚ The Parent and Student Handbook is available on the Resources page of our website at <https://mastfiu.dadeschools.net>. It contains a wealth of information about our school. Please read it before the school year begins.
- ✚ Parents should take advantage of the tax-free saving that are available. If you are in the market for a new lap top or tablet for your child, please keep in mind that we don't require a new or expensive device. Students must be able to log onto the Internet and have Office 360 on their device to be successful. Take advantage of the sales. You can purchase a lap top computer that will serve your child for 4 years or longer under \$200.00.
- ✚ I have provided you with several very useful attachments in this update. You may wish to print some of them so you may refer to them throughout the school year.
- ✚ Student schedules will be posted on the parent and student portals sometime during the week of August 12th. Make sure your student has a copy or takes a picture of the schedule to use on the first day of school.

- ✚ Students who took FLVS or DE courses during the summer must bring a transcript to school no later than August 14th if they wish to have their schedule adjusted before school begins.
- ✚ Students who have been scheduled in Advanced Placement will be evaluated by the teacher assigned to the course to ensure accurate placement within the first week and half of school. This is to ensure student success in each course.
- ✚ We are here to assist you with the education of your child. Please contact us anytime. We love to hear from our parents. Partnerships matter and we want ours to be the best.

Until next time... bye for now.
